## **Welcome to the IRWA Certification Program!**

IRWA Certification is both a journey and a destination. For experienced and skilled right of way professionals like yourself, your certification validates your skills and demonstrates your proficiency in your chosen discipline. The IRWA Certification Program R/W-RAC is a structured process designed to provide you with the knowledge and tools that will help you advance in your profession.

### **Stay Ahead of the Curve**

Today's marketplace is crowded and complex, and individuals and businesses that don't stay ahead of the curve often risk being left behind. To develop a solid, competitive advantage—and to remain ahead of that curve—you can rely on an IRWA Certification to prepare you and your company for whatever lies ahead.

### **The Only Name That Counts**

IRWA stands for the highest standard of excellence. As such, an IRWA Certification is a rigorous process that will work to differentiate you from other professionals. Our high standards have enabled us to create a distinction that is universally respected by customers, businesses and colleagues across most disciplines.

### **The Right Stuff**

Companies with employees that are IRWA certified report impressive results. Certification can often win business in competitive situations. Perhaps that's because customers prefer doing business with IRWA -certified staff rather than those without the stamp of Certification. Certified professionals often make better employees. They tend to exhibit higher productivity, reduced learning curves, increased technical competencies, lower error rate, and a higher level of job satisfaction.

### **Individual Benefits**

In addition to gaining new skills, enhancing your knowledge base and adding to your list of credentials, employees can expect to attain a wide range of workplace benefits. These may be in the form of peer recognition or demonstrated financially through a promotion, pay raise or additional perks.

### **Benefits to Employer**

Employers who support continuing education for their staff can expect significant benefits! They will be rewarded with higher employee retention, increased productivity and a boost in employee morale and confidence. Retaining experienced staff is an enormous competitive advantage for any employer.

### **Overview: How the Program Works and Purpose of this Guidebook**

This handbook is designed to serve as a reference tool to help simplify the various requirements. Many of the forms you will need along the way are included. Some can be used directly from the handbook and are linked to the Handbook Webpage.

To get started, we encourage you to read the requirements outlined in this program guidebook and application packet. If your experience appears to qualify, submit your candidacy declaration to IRWA Headquarters. If you are uncertain about any of this process, please contact your local Professional Development Committee Chair (PDC Chair). They can answer any questions you have as you progress through the program. Once you have filled out your completion application, simply submit it to your PDC Chair.

**We congratulate you on your decision to pursue an IRWA Certification.**

# R/W-RAC Relocation Assistance Certification Program At a Glance

## **International Right of Way (R/W) Certification Program**

---

### **What is a Right of Way Certification?**

The Right of Way (R/W) Certification is granted to IRWA members who have achieved professional status through experience, education and examination in a single right of way discipline.

Earning this certification demonstrates an unparalleled achievement in a single discipline and reinforces a standard of excellence. The International Right of Way Association offers certification in the following 6 disciplines\*:

<b>Discipline</b>	<b>R/W Certification</b>
Appraisal	R/W-AC
Asset Management	R/W-AMC
Environmental	R/W-EC
Negotiation/Acquisition	R/W-NAC
Relocation Assistance	R/W-RAC
Uniform Act	R/W-URAC

*\*Members can only become certified in 2 disciplines until the SR/WA designation is earned.*

### **What are the prerequisites for the R/W Certification?**

Any member involved in one of these 6 right of way professional disciplines is eligible. Applicant must be a member of the IRWA in good standing, have a minimum of 2 years of relevant ROW professional experience within the last 5 years, and meet the coursework and exam requirements.

### **What happens after the R/W Certification is earned?**

The R/W Certification expands employment opportunities, increases salary potential, boosts chances for career advancement and demonstrates professional commitment.

Employers benefit from the R/W Certification too. Most employers recognize the roles that professional development and continuing education play and encourage their staff to pursue such things. The R/W Certification helps employers to identify and reward employees with proven initiative, dedication and knowledge. It helps to create a strong professional foundation and training ladder. The Certification enhances employee skills through multidiscipline training and examination. It also assures continuous educational updates through recertification.

**Please contact Credentialing Staff for any questions about the Certification program. 310.538.0233 X 138 or X 123 [or education@irwaonline.org](mailto:education@irwaonline.org)**

## Right of Way Certification Program R/W-RAC Relocation Assistance Certification Recertification

---

### International Right of Way Certification (R/W) Recertification

#### Why do R/W's need to recertify?

The International Right of Way Association believes that all professionals holding the R/W Certification must continue their personal and professional development through a combination of continued work experience and continuing education. Therefore, the IRWA requires all R/W members to recertify every 5 years to maintain their professional certification.

#### What is required to recertify?

The R/W recertification requirements consist of earning 30 CEUs by attending or facilitating courses or seminars which have been approved for credit by the IPDC. Of these 30 CEUs, a minimum of 8 must be earned by course attendance as a participant or facilitator at a course in that certification discipline and 8 CEUs must be earned through meeting the Ethics Course requirement.

R/W Certification designees may receive up to 16 CEUs for paid attendance at IRWA's International Educational Conference.

IRWA Chapter seminars, meetings, regional forums and any non-IRWA program *must* be submitted to the IPDC for recertification credit approval. It is advisable that approval is obtained *before* the presentation or at the very least, before recertification is due.

Approval letters and proof attendance/completion must be kept in designee's records and *must only* be submitted to HQ as supporting documentation along with the recertification application.

The recertification period is 5 years from the initial certification and applications will be accepted by HQ up to 1 year before the due date.

R/W Certification designees taking an IRWA course for recertification credit are not required to take the course exam.\* However, participants taking an IRWA course for CE or other type of credit, for license renewal or other purposes are required to take the course exam.

\* Exams **must** be taken for any online course or seminar to obtain recertification credit.
