

IRWA REGION 10

Annual Spring Forum
Hosted by: IRWA Region 10
March 29th – April 1st, 2023

Welcome!

The Region 10 Forum Planning Committee would like to extend a warm welcome to all of Region 10 and invite you to join us for the Annual Spring Forum. This year's format continues with the tradition of a 'mini-conference' where we have a strong focus on education, knowledge sharing amongst chapters and networking opportunities – all while attending to Region business.

We are excited to kick-off this event with a two-day course, and an evening of social networking. This will all be followed by our regularly scheduled business meetings. All IRWA members are welcome to attend any or all the events scheduled.

Calgary is excited to host this fantastic event again and look forward to another successful forum.
