Get Connected. Stay Connected.

Expand your specialized knowledge in right of way by participating in IRWA's Annual International Education Conference. Professionals who attend gain invaluable insight into the latest industry trends, giving them the edge they need over their competition.

IRWA's conference participants make up a unique body of knowledge. With approximately over 1,200 experienced right of way professionals gathering to share industry practices, you and your organization can't afford to miss this event.

Chapter 1 extends a warm welcome to each one of you as we gather in the beautiful city of Long Beach, California, for the 70th Annual International Education Conference and to celebrate a significant milestone — our Chapter and IRWA’s 90th anniversary! As the first IRWA Chapter, we take great pride in our history and the many strides we have made in our chosen field of right of way and infrastructure development.

The 2024 Conference theme **“Focus Forward”** sets the stage for forward-thinking discussions and encapsulates the spirit of progress and innovation that has defined our Chapter for nearly a century. As we converge in sunny Southern California to explore the future of infrastructure, encompassing vital aspects such as transportation, utilities, acquisition and relocation, appraisal and surveying, engineering and project management, environmental concerns and beyond, we embark on a journey that will shape the landscape of right of way for years to come.

Our conference promises to offer dynamic and insightful discussions, knowledge sharing and networking opportunities with industry leaders and experts. Together, let us delve into the challenges and opportunities that lie ahead, working collaboratively to build a future that is sustainable, efficient and responsive to the evolving needs of our communities.

Beyond the conference sessions, Long Beach, nestled along the stunning Los Angeles County coastline, is not just a hub for innovation but also a playground for adventure and relaxation. Bring the whole family because Southern California offers countless landmarks, entertainment and activities to enrich your experience. From the iconic Queen Mary to the many idyllic coastal communities and beaches, vibrant cultural scenes and world-class dining, there is no shortage of opportunities to explore and unwind.

As we celebrate our 90th anniversary, let us also celebrate the strength of our community, the resilience of our industry and the potential for positive change. Thank you for being an integral part of this historic gathering, as we **“Focus Forward”** to the knowledge exchange, collaboration and camaradery that will undoubtedly mark this year’s international education conference taking place June 23 to 26, 2024.

This conference promises to be a memorable blend of professional growth and the Southern California lifestyle.

Safe travels and see you soon!
